Dear Residents:

Lake County Health Department is closely monoriting a fast-changing pandeminic of COVID-19. Our priority is the health and safety of our residents, and we continue to use every available resource to respond to the COVID-19 pandemic. There is also a insert of drive thru COVID-19 sites in this newsletter below. Unfortunately, the Villages annual tree lighting has been cancelled due to these unforeseen circumstances.

The Village has purchased a John Deere Tractor, you will be seeing this as it starts snowing.

As always, if I can be of any assistance, please do not hesitate to contact me at (847) 546-1206.
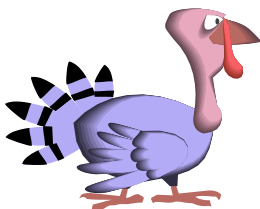

Sincerely,

FUN FACTS

- National Men Make Dinner Day: the first Thursday in November (some of us think this should be every Thursday, year-round, but what do we know)
- Parker Brothers introduced the world to the Monopoly game on November 5, 1935.

And a Thanksgiving mix-up inspired the first TV dinners.

In 1953, a Swanson employee accidentally ordered a colossal shipment of Thanksgiving turkeys (260 tons, to be exact). To deal with the excess, salesman Gerry Thomas took inspiration from the prepared foods served on airplanes. He came up with the idea of filling 5,000 aluminum trays with the turkey – along with cornbread dressing, gravy, peas, and sweet potatoes to complete the offering. The 98-cents meals were a hit
